Elmton Class

What have we been learning about this week?

Elmton Class have had a fantastic first week back at school.

This week in English, we have been reading our new class book called 'The Water Princess'. We have been learning the story and drawing story maps to retell the story.

In Maths, we have been learning how to add and subtract within 20.

In science, we have been learning about different materials. We went on a hunt around school to find objects made of wood, plastic, rubber and metal.

In geography, we have been learning how to read a map and locate different countries. We found the continent, Africa, and the country Zambia.

Have a lovely weekend.

Miss Earle

Phonics Time

| <u>Real words</u> | <u>Nonsense words</u> |
|-------------------|-----------------------|
| king | heng |
| rain | lail |
| sheep | neek |
| night | dighb |

Can you read these words?

Homework challenge -

For your homework challenge this week, I would like you to complete the science worksheet. Please go around your house and find objects made from different materials.

Reading Books

Please bring your reading book and diary to school every Monday morning, so you can be given a new reading book.

We require all children to read at home at least three times a week. Please fill in the reading diary every time you have read. If you have read three times that week, we shall add a stamp on to your child's reading rangers bookmark.

The children all have a Bug Club login glued into the front of their reading diaries. As part of their homework, please could they log into BugClub and play on the phonics games or read a book. The phonics games range from Phase 2 all the way to Phase 5. This weeks games are based on Unit 27. I will be checking Bug Club each week to monitor progress. Please let me know if you have any problems.

Grey Keywords

Our weekly spelling check will take place on

Wednesday 6th March, 2024.

Grey Keywords
