Elmton Class

What have we been learning about this week?

Elmton Class have had a great couple of days back at school.

This week, we have been practising our handwriting, ready to use a line guide next week.

In Maths, we have been recapping addition and subtraction.

In Science, we have been learning about the parts of our body. The children have drawn and labelled a body and they have learnt about which part of our bodies link to our senses.

Have a lovely weekend.

Homework challenge -

For your homework challenge this week, I would like you to draw a self portrait. You can draw it with a pencil, colouring pencils, felt tips, be creative. I would then like you to label the parts of your face and body that you have drawn.

Can you remember the names of the body parts we have learnt this week?

Phonics Time
