Elmton Class

What have we been learning about this week?

First of all, I have to say you have all settled in fantastic into Year 1. I am really impressed with how hard all the children have been working.

This week, we have been recapping our learning from last year and getting to know our new classroom.

In English, we have been writing sentences using adjectives. We have been reading our class book, *Lost and Found*, and we have written lost tags for lost toys that have appeared in our classroom.

In Maths, we have started to learn about place value. We have used lots of maths resources and sorted them into groups. We have also been counting the objects and representing the number on a tens frame.

Have a lovely weekend!

Homework challenge -

For your homework challenge this week, I would like you to go in your garden or on a walk and have a look at the plants.

Can you name any of the wild or garden plants you find?

Please could you draw a picture of a plant you have found and label the parts of the plant.

Can you remember the parts? There is a flower, a stem, leaves and roots.
