Christmas Performances!

This week, the children in Creswell, Welbeck, Rufford and Clumber classes participated in their Christmas performances at St. Luke's Church. All of the children were fantastic. Well done, children! Thank you to staff for the work involved and for your time in the evenings.

Thank you also to members of the church community who opened the church, made us all welcome and hosted the performances.

Attendance!

Over the last week, none of our seven classes recorded attendance of 97% or above. The whole school attendance is very low 90%. The whole school attendance for the last academic year was 94%. Please help us to reach 97% this year! All children have their best chance of reaching their potential if they are in school each day.

More information about the importance of children being on time and in school every day can be found on the school website.

The attendance winners are Creswell Class and Rufford Class at 93%. Well done!

Key Stage 2 Carol Concert at St. Luke's Church - Monday 11th December

On Monday afternoon, the children in Key Stage 2 participated in a Carol Service at St. Luke's Church. We also had a Carol Service in school on Tuesday morning where the children from Creswell, Elmton and Rufford classes performed for the rest of the school. Well done to all children. Thank you to Mrs Murray for leading the worship at church and to Mrs Cushing for leading the school Christmas worship.

Thank you!

The children and staff have all worked incredibly hard throughout the autumn term and I would like to thank them all for their super attitudes towards learning and the school. Thank you to all of the parents and carers who have provided positive feedback about the events and work in school this term.

On behalf of myself and the St. Luke's Team, I would like to wish all of our children and families a happy and healthy Christmas and New Year.

We look forward to seeing all children back in school on Thursday 4th January.
