## Attendance!

Over the last week, none of our seven classes recorded attendance of 97% or above. The whole school attendance is very low 89%. The whole school attendance for the last academic year was 94%. Please help us to reach 97% this year! All children have their best chance of reaching their potential if they are in school each day.

More information about the importance of children being on time and in school every day can be found on the school website.

Well done!

We also enjoyed wearing Christmas jumpers in support of Save the Children and currently have raised the total of £46.
