### Anti-Bullying Week

The children in all classes have undertaken a range of activities as part of our participation in Anti-Bullying Week. As part of this work we have been encouraging the children to 'Make a Noise!' It was lovely to see so many different socks on Monday and I am looking forward to the display of work that will be created by pictures completed by all of the children. Thank you to Mrs Dilks for ordering our bulbs that have been planted this week and thanks also to Nigel for volunteering time to plant the bulbs with all classes.

More information about our work for Anti-Bullying Week can be found on the school website.

### Attendance!

Over the last week, four of our seven classes recorded attendance of 97% or above. The whole school attendance is 95%. The whole school attendance for the last academic year was 94%. Please help us to reach 97% this year! All children have their best chance of reaching their potential if they are in school each day.

More information about the importance of children being on time and in school every day can be found on the school website.
