Super work in Rufford Class

Yesterday, I was very impressed with some super writing and good use of the correct punctuation in Rufford Class. Have a look at the photographs showing some super work in other curriculum areas too. Well done!

Have a look at the class pages on the school website to find out more about what your child is learning at school. [Class Pages | St Luke's Church of England \(Aided\) Primary School \(st-lukes.notts.sch.uk\)](#)

Attendance!

Over the last week, three of our seven classes recorded attendance of 97% or above. The whole school attendance is 95%. The whole school attendance for the last academic year was 94%. Please help us to reach 97% this year! All children have their best chance of reaching their potential if they are in school each day.

Please do remember that holidays should not be taken during school time. Half of the children, at St. Luke's, who are classed as being persistently absent have taken a holiday during term time. More information about the importance of children being in school every day can be found on the school website. The attendance winners are Rufford Class at 99%. Well done!

Parent/Carer Consultation Meetings

All teachers are looking forward to meeting with parents and carers on Tuesday 17th October or Wednesday 18th October. Information has been provided and bookings can be made via ParentMail. Please call the office on 01909 475821 if you have any queries.

Keeping Children Safe

Morning Routines

The teachers collect the children from the playground at 8.45am ready for registration, in classrooms at 8.50am, each morning. Please ensure that your child is supervised until this time to ensure that they are handed over safely to school staff. If you need to leave your child before the teacher collects them please speak with a member of staff. **Please note that registers will be taken at 8.50am and closed at 9.00am, to ensure a prompt start to learning, so arrival after registration will be marked as late.**

World Mental Health Day

It was lovely to see so many bright colours in school on Tuesday to celebrate World Mental Health Day. The children completed work in class to learn what mental health is and to consider the importance of and different ways of looking after it.
