For the rest of this half term, we are going to be creating an advert based on a holiday destination of our choice!

This week, we have been identifying the features of a advert and have been looking at a range of different examples. We looked at the language used and discussed how the language persuades the audience to book exciting trips.

For your homework, please can you research a destination of your choice.

Things you might want to include:

- **Things to do there**
- **Where is your destination?**
- **Weather**
- **Pictures**
- **Facts**
