

As part of our learning relating to anti-bullying week, we will be creating a whole school display that we want you to be a part of!

Use the box below to draw a picture of yourself. Be creative and fill the space! Use lots of colours and materials if you can. Then, bring this sheet back to school and we will cut them out to add to our display. Remember, when we all stand together we can make one big noise and everyone's voice counts!
