

SCIENCE: WHOLE SCHOOL JOURNEY

“The science of today is the technology of tomorrow”

- Edward Teller

D.A.R.T
(Diet, drugs & exercise)

Light & seeing/ The heart & circulatory system

Changing Circuits/
Classifying Living Things

Year 6

Forces in Action/ Evolution & inheritance (Inc. plants)

Investigating materials and their properties/Space

Life cycles Inc. plants /Healthy Bodies

Year 5

Sound/What do scientists do?

Teeth & the digestive system / States of matter (Inc. the water cycle)

Electricity/ Classifying Living things & their habitats

Year 4

Fossils, rocks and Soils/Animals inc. Humans

Reduce, Reuse, Recycle/Flowering

Forces and magnets/Light and Shadows

Year 3

Scientists & Inventors/ Growing Plants

Identifying animals/ Living Things & their habitats

Animals inc. Humans/ Investigating Materials

Year 2

Seasonal change/ Animals inc. Humans

Super Scientists/ Everyday Materials

Biodiversity/ Identifying plants

Year 1

Year R

Space/ Animals and plants

Floating & Sinking/ Weather, Seasons & plants

Materials/Light and dark
