

Geography

In Geography this half term we will be learning all about economic activity in the UK. We will be discussing trade links, imports and exports and how supply chains work.

Science

In Science, we will be discovering different forces and how they work together. We will look at mechanisms and completing a variety of experiments.

RE

We will be using our RE lessons to learn about the different Human Rights that we have and how these are represented and promoted by different world religions.

PE

PE will be on Thursday and Friday afternoons. This half term we will be learning how to play handball and working on our football skills.

Welcome to Welbeck Class!

I hope you have had a lovely holiday and are excited for Year 6.

As last year, please could the children not bring pencil cases or personal belongings into school. Please do check the website or Facebook page regularly for updates.
