Charging & Remissions Policy

Introduction

We want all our pupils to have an equal opportunity to benefit from school activities, both on and off site, within and outside the curriculum, regardless of their family's financial means. This policy sets out our School approach to charging and remissions and is informed by local authority guidance. In doing this our intention is to ensure transparency in setting charges and ensure all children are able to access all the provisions on offer.

This policy does not apply to charges made and determined by other organisations offering activities and services on the School premises.
