**Looked -After
Children
Policy
2022-2023**

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 1996
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Headteachers, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work With and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)

- Improving the attainment of Looked After Children in primary schools (DCSF)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

We understand that children or young people who have been taken into care by the local authority or who have a voluntary care arrangement are known as 'Looked After'. This is because of either family breakdown, abuse, neglect or social need. Looked After Children (LAC) will either be living in foster homes, children's residential homes, living with a relative or with their natural parent(s).

We are committed to providing quality education for all our pupils including LAC. It is nationally recognised that LAC significantly underachieve and are at greater risk of exclusion when compared with their peers. Therefore, we believe we have a duty 'to safeguard LAC, to promote their educational achievements and to ensure they are able to achieve and reach their full potential'. (Children Act 2004)

We are aware that 'children in care are too often missing out on treatment for mental health problems despite being four times more likely to experience them' because they move placement too often.'

We work hard to ensure children in care are 'given priority access to mental health assessments and are never refused care based on their placement or severity of their condition.'

We have a duty to:

- ensure LAC are never refused a service, including mental health, on the grounds of their placement;

- in the event of oversubscription to give priority to LAC;
- appoint a designated qualified teacher to promote the educational achievement of LAC
- ensure the designated teacher undertakes appropriate training;
- have in place a personal education plan for all LAC drawn up in consultation with the local authority;
- ensure LAC are involved in planning and decision making in regard to their education;
- act on any issues as highlighted in the annual report from the designated teacher.

We support all looked LAC who have communication needs and will take in to account their wishes and feelings in their care planning and process.

'Children with communication needs include those who use non-verbal means of communication as well as a wider group of children who have difficulties in communicating with others. It may be that they cannot express themselves effectively or they may have difficulties in understanding what is being said to them.'

(Supporting looked after children with communication needs: Departmental advice for independent reviewing officers (DfE))

We ensure support personnel have the appropriate training in communication skills in order to support LAC with communication needs.

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremist groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

We as a school community have a commitment to promote equality. We believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender

reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Safeguarding

We are committed to safeguarding and promoting the welfare of all children as the safety and protection of children is of paramount importance to everyone in this school. We work hard to create a culture of vigilance and at all times we will ensure what is best in the interests of all children.

We believe that all children have the right to be safe in our society. We recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

Equality Impact Assessment

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy is, we believe, in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

Race Disparity Audit

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

Monitoring the Implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Governing Body for further discussion and endorsement.
