

St. Luke's C.E (Aided) Primary School

Volunteering in School Policy June 2024

Statement of Intent

At St Luke's Primary School, we recognise and value the effort taken by volunteers who contribute towards our school. We also recognise that parents/family members of our pupils may want to be involved in our school community and intend to ensure that as well as welcoming them, they can do so safely and in line with our policy.

This policy sets out the practices and procedures which will be followed when appointing, managing and supervising volunteers, as well as a code of conduct which all volunteers are required to comply with.

Legal framework

This policy has due regard to all relevant legislation and guidance including, but not limited to the following:

- The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018

- The Data Protection Act 2018
- DfE (2023) 'Keeping children safe in education 2023'

- Child Protection and Safeguarding Policy
- Keeping Children Safe in Education
- Staff Code of Conduct/Part 2 Managing Allegations

Definitions

The following definitions apply for the purposes of this policy. For the purposes of this policy: **"Volunteers"** are individuals who engage in an activity which involves spending time, unpaid (except for travel and other approved expenses), doing something which aims to benefit some third party, i.e. the school, and not a close relative.

"Occasional volunteers" are individuals who only accompany staff and pupils on one-off trips that do not involve overnight stays, or who volunteer at specific one-off events, such as sports days.

"Regular volunteers" are individuals who volunteer at the school:

- Three or more times in a 30-day period
- Once a month or more
- On an overnight stay.

A volunteer will be engaging in **"regulated activity"** if they:

- Will be responsible, on a regular basis in school, for teaching, training, instructing, caring for or supervising children
- Will be working on a regular basis in a specified establishment, such as a school, or in connection with the purposes of the establishment, where the work gives opportunity for contact with children.
- Engage in intimate or personal care or healthcare or any overnight activity, even if this only happens once.

Recruitment

Anyone who wishes to become a volunteer at the school, either on an occasional or more regular basis, will be required to submit a Volunteer Application Form to the school office.

Occasional volunteers

Occasional volunteers will be appointed at the headteacher's discretion and will not be required to go through the recruitment process. A written risk assessment will be conducted to determine what checks, if any, are required.

An occasional volunteer will always be supervised by a member of staff, unless the appropriate DBS checks have been obtained.

Regular volunteers

Regular volunteers will always go through the following recruitment process:

- The individual will be asked to have an informal discussion with the Head Teacher or Deputy Designated Safeguarding lead to ensure they are suitable for the role.

The appropriate safer recruitment checks will be undertaken.

- The individual will be made aware of the roles and responsibilities they will be undertaking.
- References will be sought where appropriate, such as the volunteer is not known to the school. Where parents of current pupils request to volunteer in school, references won't be sought as long as the other checks are made.

Safeguarding checks

Under no circumstances will a volunteer on whom no checks have been obtained be left unsupervised or allowed to work in regulated activity.

The school will conduct a risk assessment and use its professional judgement to decide what checks are required. The risk assessment will consider:

- The nature of the work with children, especially if it will constitute regulated activity, including the level of supervision.
- What the school knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers.
- Whether the volunteer has other employment or undertakes voluntary activities where referees can advise on their suitability.
- Whether the role is eligible for a DBS check, and if it is, the level of check required.

Details of the risk assessment will be recorded and any DBS checks applied for will be recorded on the school's [Single Central Record](#).

If a volunteer will be working in regulated activity, an enhanced DBS check with children's

barred list information will be required. The school will not request barred list information on a volunteer if they are supervised, as they are not considered to be engaged in regulated activity.

For volunteers who are not in regulated activity, but who have the opportunity to come into contact with pupils on a regular basis, it is at the discretion of the school to decide whether or not a DBS check is required.

Volunteers will not be re-checked if they have already had a DBS check; however, the school will consider obtaining a new DBS check, at the level appropriate to the role, if there are concerns about a volunteer.

All checks will be conducted in line with the school's Safer Recruitment Policy.

Supervision

If a volunteer is required to be supervised when undertaking an activity, who would otherwise be in regulated activity if not supervised, the school will ensure that:

- There is supervision by an individual who is in regulated activity.
- The supervision is regular and day-to-day.
- The supervision is reasonable in all the circumstances to ensure the protection of the pupils.

When determining what supervision is reasonable so that the volunteer would not be in regulated activity, the school will take the following factors into consideration:

- The ages of the pupils, including whether there is a large gap in their ages
- The number of pupils that the volunteer is working with
- Whether or not there are other staff members present during the activity
- The nature of the volunteer's work and the opportunity for contact with pupils
- How vulnerable the pupils are
- How many volunteers would be supervised by each member of supervising staff

Induction

Volunteers will be required to read and agree to the Volunteer Code of Conduct (at the end of this policy document) and Staff Code of Conduct before starting their role at the school. All volunteers will be required to make themselves familiar with school procedures as part of their induction, including the following:

- Child Protection and Safeguarding Policy
- Keeping Children Safe in Education
- Staff Code of Conduct/Part 2 Managing Allegations
- Health and Safety Policy
- Behaviour Policy
- Anti-bullying Policy
- Whistleblowing Policy
- Complaints Procedures Policy • Online Safety Policy
- Data Protection Policy

Volunteers will be provided with access to the above documents upon their induction.

Volunteers will be required to read Part 1 of 'Keeping children safe in education' as part of their induction.

All volunteers will be provided with a point of contact within the school who they can go to if they have any questions or issues they need to discuss.

Safeguarding

Volunteers will be provided with safeguarding information as determined by the governing body, using a proportionate, risk-based approach.

The school will ensure that activities are planned properly and safely, and that volunteers are informed of these plans. The school will ensure that volunteers have access to a member of school staff, should they wish to discuss difficulties or report on issues that may arise.

All volunteers are required to be identified and located at all times. For this reason, the following process will be adhered to:

- Volunteers will sign in and out of the building using the iPad in main reception
- Volunteers will wear a visitor's badge at all times.
- The headteacher will be made aware of where the volunteer is working

Volunteers will be made aware that they must report any safeguarding concerns in line with the school's Child Protection and Safeguarding Policy. The identity of the school's DSL and any deputies will be made known to all volunteers.

Any safeguarding concerns or allegations raised regarding a volunteer will be dealt with in line with the Low-level Safeguarding Concerns Policy and/or the Allegations of Abuse Against Staff Policy.

Health and safety

Volunteers will be required to read the Health and Safety Policy prior to undertaking any activity on behalf of the school.

Volunteers will ensure that they are familiar with emergency procedures, e.g. evacuation, and of any health and safety procedures relating to the activity they will be undertaking, e.g. whilst in a cookery class.

If a volunteer notices any potential hazard which may put another individual at risk of harm, they will report this immediately to the class teacher or Head Teacher.

Absence

Volunteers are required to inform the school office if they are unable to attend at the agreed time. Failure to inform the school on more than three instances may result in the volunteer being unable to attend the school on any further occasions.

If a volunteer is called away in the event of an emergency while volunteering, they will inform the class teacher or Head Teacher, and will sign out of the building before leaving the premises.

Confidentiality

All volunteers will be required to act in line with the volunteers code of conduct.

Volunteers will not be permitted to discuss any confidential information regarding a pupil or member of staff with any other individual.

Information will be shared with volunteers on a need-to-know basis, and they will not have access to the school's records unless access is required to fulfil their role.

Any volunteer who breaches the confidentiality rules will be asked to leave the premises and will not be able to return to undertake any further activity.

There may be instances where a volunteer is required to pass information to a member of staff, such as if they notice a pupil being bullied or subjected to harm. Volunteers will report any concerns to a member of staff and are instructed not to notify the parents.

Complaints

Any complaints made in relation to a volunteer will be managed in line with the school's Complaints Procedures Policy.

Monitoring and review

The headteacher will review this policy on an annual basis and will communicate any changes to all members of staff, existing volunteers and relevant stakeholders. All volunteers will be required to read this policy prior to their attendance at the school. The next review date for this policy is Summer term 2025.
